About NewEngineer

NewEngineer is an online career magazine created for a new generation of engineers. NewEngineer brings together career advice, new training, new tools, and new education resources for young engineers, providing recommendations for New Engineers to take their next career step.

Highly respected magazine site and the **go-to place for information and advice** for anyone moving up in the Engineering sector.

Our mission:

For students, researchers and academics.

We provide the latest content in the engineering field, as well as career related advice and recommendations for 1+ Mio of aspiring engineers who read the magazine.

For institutions.

We help recruit the best talents and elevate institutional brand recognition among our community of engineers.

Why We are Different

Reach passive and active candidates

The combination of our magazine and listings helps you reach 1+ Mio of potential candidates even before they consider making a career move.

Multi-channel approach optimized towards conversions

Sponsored content, content mentions, online Announcements, social media, display advertisements and email promotion to help you reach and convert potential candidates

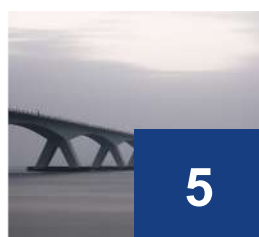

Customized, easy and effective campaigns

Hassle-free booking process, personalized assistance and easy renewal. We aim to create the least possible administrative work for you!

Personalized Consultation to optimize your ROI

Dedicated account manager to help you analyze and optimize your campaigns towards your conversion goal, whether traffic to your website, leads or enrollments.

Advanced performance stats

Customized google analytics reports after your campaign.

Media Advertisement

Display Advertising (Banners)

Connect with international students and professionals

2 formats: vertical & horizontal

Targeting options: content, geographic, time

Starting at \$900/month

The screenshot shows the NewEngineer.com website homepage. At the top, there's a navigation bar with 'NewEngineer.com' logo and 'The Career Site for Engineers'. Below the navigation bar, there are several featured articles and banners. The main content area includes 'Trending Pages' with links to 'Civil Engineering Jobs', 'Mechanical Engineering Jobs', 'Engineering Jobs in Canada', and 'Engineering Jobs in the UK'. There are also sections for 'Professional Training' and 'Conferences'. Two blue banners are overlaid on the right side of the page, labeled 'Banner'.

Targeted E-mail Promotion

In our E-Mail Shots (HTML Format), we carefully select your recipient list based on their disciplines of interest and location, so we deliver your message to the right audience

Starting at \$0,48 per recipient

The screenshot shows an email promotion from NewEngineer.com. The email header includes the NewEngineer.com logo and 'The Career Site for Engineers'. The main content features a large image with the text 'WHERE ENGINEERING LEADERS ARE MADE' and 'UBC'. Below the image, there's a headline: 'EXPAND YOUR TECHNICAL KNOWLEDGE AND BUSINESS SKILLS IN JUST 12 MONTHS'. The email body contains a paragraph about the Master of Engineering Leadership (MEL) degree, followed by a list of reasons to study at the University of British Columbia. The list includes: 1. LEARN FROM THE BEST, 2. UPDATE YOUR ENGINEERING KNOWLEDGE, 3. DEVELOP BUSINESS ACUMEN, 4. EXPAND YOUR NETWORK, 5. CONNECT WITH INDUSTRY AND BUSINESS PROFESSIONALS, and 6. EXPERIENCE A WORLD-CLASS CITY. At the bottom, there's a red button that says 'Check for more details and apply here' and social media sharing icons.

Media Advertisement

Email Alert Ads

Text snippet including 300 characters with spaces + title + Logo + URL

\$150 + VAT per E-Mail Alert Ad
\$600 + VAT per Month
